

2014-2015

Plastic and Reconstructive Surgery Journal Editorial Board

Editorial Board Member

- Serve as peer reviewers on any resident-specific PRS submissions
- Help create and update Resident-specific content and framework on PRSJJournal.com
- Attend annual Strategic Planning Meeting and/or Editorial Board meeting as a representative voice for the resident community
- Serve as an ambassador for PRS initiatives, promoting PRS and affiliated products

- 2013-2014 **American Society of Plastic Surgeons (ASPS) Board of Directors**
Board of Director
- The nation's largest plastic surgery society consisting of only those board-certified plastic surgeons
 - Oversee the society's endeavors and policy statements impacting plastic surgery on the national and international settings
 - Initiated and developed the Resident Affiliate Committee to exposing plastic surgery residents to leadership positions and healthcare policy topics
- 2013-2015 **American Society of Plastic Surgeons (ASPS) Young Plastic Surgeons Committee**
Steering Committee Member
- Participates in AMA activities and encourages participation in advocacy efforts spearheaded by ASPS
 - YPS Steering Committee hosts and plans a number of activities at the Annual Meeting: The YPS Forum Lunch, The Residents Day, The Breakfast of Champions Session, The Fresh Faces panel presentation, The Medical Students Day
 - Provides input to the Practice Management Education Committee on programming for the annual Senior Residents Conference
- 2012-2013 **American Society of Plastic Surgeons (ASPS) Government Affairs Committee**
Committee Member
- First resident elected committee member
 - Assist with providing ASPS position papers related to healthcare policy
- 2006-2008 **University of Florida Center for Entrepreneurship & Innovation**
Board of Advisors
- Allocate grants to recipients applying for funding through the University of Florida's Innovative Social Impact Initiative
 - Assist in preparing a curriculum designed to make students community leaders who tackle pressing social and economic issues
- 2005-2006 **Yale University Committee for International Health**
Committee Member
- Oversight over the development of international healthcare programs
 - Selected candidates for international fellowships for overseas research
 - Invited to speak to Yale graduate schools regarding Downs Fellowship and my research in the red-light areas of India
- 2003-2004 **University of Florida Student Government**
Cabinet Director for Health
- Responsible for the allocation of student government's funds for events related to health
 - Organizer/planner of health events such as National AIDS Day and STD Awareness Day
 - Oversight over healthcare clubs at the university

2002

United States Senate: Office of Senator Bob Graham

Healthcare Policy Intern

- Worked with Senators Bob Graham and Edward Kennedy to develop a prescription drug bill for senior citizens
- Economically analyzed and compared the benefits that seniors received under each prescription drug proposal
- Created floor charts based on analysis and produced graphs that Senator Graham used during his talks on the U.S. Senate Floor and on C-SPAN

Academic Journal Ad Hoc Reviewer & Responsibilities

2015 – Present **Plastic and Reconstructive Surgery Global Open Journal:** *Reviewer*
2015 – Present **British Medical Journal Global Health:** *Reviewer*
2014 – Present **Plastic and Reconstructive Surgery Journal:** *Reviewer*
2013 – 2014 **Plastic Surgery News, Residents Forum:** *Editor*
2013 – Present **International Journal of Dermatology:** *Reviewer*
2011 – Present **Plastic and Reconstructive Surgery Journal:** *Blog, Co-Editor*
2010 – Present **Aesthetic Surgery Journal:** *Reviewer*

Teaching Experience

2006-2008 Visiting Lecturer, Warrington College of Business, University of Florida
Graduate Course: Introduction to Social Entrepreneurship

2003-2004 Economics Teaching Assistant, University of Florida
Tutored University of Florida football and basketball players in economics, 10 hrs/wk

2003-2004 English Instructor, Committed Communities Development Trust
Taught English and computer skills to AIDS-infected orphans

International Outreach

- 2003- **Cents of Relief, Inc. – 501(c)3 Nonprofit Organization**
Co-Founder/CEO
- Endeavors to empower victims of trafficking through health and educational initiatives garnering press in media such as the New York Times, USA Today, etc.
 - Burn Surgery International: The release of burn contractures for rescued trafficked victims via a partnership with Operation Smile, Harvard Brigham and Women’s Hospital, and the Yale Section of Plastic Surgery; created an education comic book to accompany mission with the goal of distributing the book in 26 countries
 - Teeing It Up to Stop Trafficking: Direct our annual celebrity golf tournament fundraiser recruiting NBA/NFL players and soliciting corporate sponsors
 - eMentoring: Created a curriculum to teach English and computer skills to children in the red-light area by paying for laptops and internet
 - Rx Healthy Solutions: Initiated health workshops by funding hygiene kits and medicines for women in prostitution
- 2005- **Yale University/Biamba Marie Hospital Partnership**
Coordinator
- Developing a partnership among Yale University and the Dikembe Mutombo Foundation (DMF) to bring surgical faculty/residents to DMF’s hospital in the Congo
 - Arranged a luncheon at Yale University for DMF founder and NBA player Dikembe Mutombo, with Vice-President of Yale and Director of Yale Physician Group
 - Addressed Yale and the greater New Haven community regarding healthcare issues in the Congo attracting media attention for the university
- 2007-2010 **Operation Smile/Wockhardt Hospital Partnership**
Coordinator
- Established partnership between Operation Smile and Wockhardt Hospital in Rajkot and Goa located in the western and southern regions of India, respectively
 - Provides Operation Smile operating rooms in Wockhardt Hospital permitting treatment for craniofacial disorders with plans expand to all 16 Wockhardt sites
- 2007-2008 **Nyaya Health**
Executive Director for Telemedicine
- Increased healthcare access for a rural population of 250,000 in the far western region of Nepal harnessing the power of telemedicine
 - Equipped community-health workers (CHWs) with user-friendly software applications over an inexpensive Wi-Fi network improving medical outreach
 - Awarded first prize at several nation-wide business plan competitions
- 2012 **Operation Smile Stryker International Fellow**
Plastic Surgery Resident for Cleft Lip/Palate Surgery
- Awarded fellowship to perform cleft surgery in Guwahati
 - Developed research initiatives to evaluate surgical intervention

Research Support

Source: **Aesthetic Surgery Education and Research Foundation**

Project: *Does the Public Know the Difference Between Cosmetic and Plastic Surgeons*

Role: Principle Investigator

Amount: \$5,000, 2015

Source: **American Society of Craniofacial Surgery**

Project: *Assessing Intercranial Volume and Brain Tissue Through Functional MRIs*

Role: Co-Investigator

Amount: \$5,000, 2010

Source: **American Society of Plastic Surgery's Plastic Surgery Educational Foundation**

Project: *The Impact of Surgery in Craniosynostosis Using Event-Related Potentials.*

Role: Principal Investigator

Amount: \$10,000, 2010

Project: *The Effect of Policy Interventions in Improving HIV Prevention and Care for Women in Prostitution: Case studies of Delhi and Mumbai*

Role: Sponsor/Co-Investigator

Amount: \$5,000, 2010

Source: **The Wilbur Downs Grant for International Public Health Research**

Project: *The HIV/AIDS Risk Perceptions of Buyers of Prostituted Sex.*

Role: Principal Investigator

Amount: \$4,650, 2005

Awards

| | |
|------|---|
| 2015 | American Association of Plastic Surgeons: Top Research Award |
| 2012 | Operation Smile Stryker International Fellowship for Cleft Surgery |
| 2011 | Betsy Winters Award: Selected by the graduating medical school class for the resident at Yale Hospital who has made the most significant contribution to the education of the class |
| 2011 | Yale University Plastic and Reconstructive Surgery Top Prize for Clinical Research |
| 2009 | Nobel Laureate Joseph E. Murray Award for Best Clinical Research Project |
| 2009 | Yale University School of Medicine Miriam Dasey Award - Most Likely to Succeed as MD |
| 2008 | Yale Entrepreneurial Society Y50K Competition - 1 st Place Winner |
| 2005 | Yale University Wilbur Downs Fellowship for International Research |
| 2004 | USA Today All-USA College Academic First Team |
| 2004 | University of Florida Valedictorian |
| 2004 | Rhodes Scholar Semifinalist |
| 2004 | Florida Magazine: Florida Student of the Year Award |
| 2004 | University of Florida Hall of Fame |
| 2003 | Barry M. Goldwater Scholarship |
| 2003 | William Carleton Scholarship for University of Florida Junior for Outstanding Leadership |
| 2001 | University of Florida University Scholar Award for Research |
| 2000 | Wentworth Scholar for Most Outstanding Freshman at University of Florida |
| 2000 | Lake Highland (High-School) Valedictorian |

Invited Presentations/Lectures

1. An Assessment of HIV/AIDS Risk Perceptions of Buyers of Prostituted Sex in Red-Light Areas of India. Presented at *Yale University School of Medicine/School of Public Health*, October 2005, New Haven, CT.
2. Cents of Relief: Establishing and Managing a 501(c)3 Nonprofit. Presented at *Winter Park Rotarian Club*, March 2009, Winter Park, FL.
3. The Neuropsychological Outcomes in Sagittal Craniosynostosis: Cranioplasty Vs. Craniectomy. Presented at *Yale University School of Medicine Research Day*, May 2009, New Haven, CT.
4. Severity Measurement of Plagiocephaly Using Vertex View from CT Scans and Extension to Digital Images. Presented at *Yale University School of Medicine Research Day*, May 2009, New Haven, CT.
5. The Cost-Effectiveness of Mohs Micrographic Surgery Vs. Surgical Excision. Presented at the *New England Plastic and Reconstructive Society* meeting, June 2009, Boston, MA.
6. The Impact of the Age of Surgery on Long-Term Neuropsychological Outcomes in Sagittal Craniosynostosis. Presented at the *International Society of Craniofacial Surgery* meeting, September 2009, Oxford, United Kingdom.
7. A Novel Technique in Immediate Breast Reconstruction. Presented at *New York Plastic and Reconstructive Regional* meeting, March 2010, New York, New York.
8. The Cost-Effectiveness of Mohs Micrographic Surgery Vs. Surgical Excision for Medicare Enrollees. Presented at the *American Society of Plastic Surgery* meeting, October 2010, Toronto, Ontario, Canada.
9. Desmoplastic Melanoma: Rationale for Repair of Resection Site Using Skin Flaps Rather than Skin Grafts. Presented at *New York Plastic and Reconstructive Regional* meeting, March 2011, New York, New York.
10. The Impact of Age of Surgery and Type of Surgical Intervention on Long-Term Neuropsychological Outcomes in Sagittal Craniosynostosis. Presented at the *ASPS Plastic Surgery Research Council* meeting, April 2011, Louisville, KY.
11. Desmoplastic Melanoma: Rationale for Repair of Resection Site Using Skin Flaps Rather than Skin Grafts. Presented at the *New England Plastic and Reconstructive Society* meeting, June 2011, Cape Cod, MA.
12. The Impact of Age of Surgery and Type of Surgical Intervention on Long-Term Neuropsychological Outcomes in Sagittal Craniosynostosis. Presented at the *International Society of Craniofacial Surgery* meeting, August 2011, Victoria Falls, Zambia.
13. Craniosynostosis: Population-Level Predictors of Surgical Techniques in 1,680 Patients. Presented at the *International Society of Craniofacial Surgery* meeting, August 2011, Victoria Falls, Zambia.
14. Navigating the Red-Light Area Traffick Jam: Remaining Mindful of Intercultural Competence. Keynote Address at *University of Florida Gator Global Initiative*, October 2011, Gainesville, FL.
15. Intercultural Differences In Aesthetic Breast Shape Preferences Amongst Plastic Surgeons. Presented at the *American Society of Aesthetic Plastic Surgery* meeting. May 2012, Vancouver, Canada.
16. The Influence of Hospital Volume on Outcomes Following Abdominal-Based Breast Reconstruction. Presented at the *ASPS Plastic Surgery Research Council* meeting, June 2012, Ann Arbor, MI.
17. Intercultural Differences in Aesthetic Breast Shape Preferences amongst Plastic Surgeons. Presented at the *International Society of Aesthetic Plastic Surgery* meeting, September 2012, Geneva, Switzerland.
18. Reducing the Surgical Burden of Disease: Delivering Burn Care. Presented at the *Yale University Surgical Global Health Symposium*, October 2012, New Haven, CT.
19. The Influence of Hospital Volume on Outcomes Following Abdominal-Based Breast Reconstruction. Presented at the *American Society of Reconstructive Microsurgery* meeting, January 2013, Naples, FL.
20. Generating Awareness about Human Trafficking Post-Delhi Rape. Presented at the *Yale-New Haven Hospital Surgical Staff Meeting*, January 2013, New Haven, CT.
21. The Value of MD/MBA Joint Degree. Presented at Yale University Branford College Master's Tea, February 2013, New Haven, CT.
22. The Impact of Age of Surgery on Long-Term Neuropsychological Outcomes in Sagittal Craniosynostosis: A Follow-Up. Presented at *International Society of Craniofacial Surgery* meeting, September 2013, Jackson Hole, Wyoming, USA.

23. The Impact of Type of Surgery on Long-Term Neuropsychological Outcomes in Sagittal Craniosynostosis: A Follow-Up. Presented at the *International Society of Craniofacial Surgery* meeting, September 2013, Jackson Hole, Wyoming, USA.
24. Urethral Reconstruction Using a Buccal Mucosa Graft. Presented for *Plastic Surgery Education Network* Resources. September 2013, Internet Website.
25. The Effects of Whole Vault Cranioplasty versus Strip Craniectomy on Long-Term Neuropsychological Outcomes in Sagittal Craniosynostosis. Presented at the *American Association of Neurological Surgeons* meeting, December 2013, Toronto, Canada.
26. Eradicating the Global Surgical Burden of Disease During Residency. Presented at the *Yale University Surgical Global Health Symposium* meeting, January 2014, New Haven, USA.
27. A 12-Year Analysis of the Relationship Between the Markets and Aesthetic Case Volume. Presented at *New York Plastic and Reconstructive Regional* meeting, March 2014, New York City, USA.
28. The Value of Performing Frozen Section on Sentinel Lymph Node Biopsy in Patients with Melanoma. Presented at the *American Association of Plastic Surgeons* meeting, April 2014, Miami, USA.
29. First CMC Arthritis - A Novel Staging System and Radiographic Analysis of Suture Button Suspension. Presented at the *American Association of Hand Surgery*, January 2015, Paradise Islands, Bahamas.
30. The Role of Plastic and Reconstructive Surgery in Reducing Global Health Issues. Presented at the *American Society of Maxillofacial Surgeons Global Health Panel*, October 2015, Harvard University, Boston, USA
31. Will the Real Plastic Surgeon Please Stand Up – Public Perception of Cosmetic Surgeon. Invited to Present at *The American Society of Aesthetic Plastic Surgery* meeting, Las Vegas, USA.
